

Christopher Oehri

Partner – Advisory IT & Digitalisation

Role

Christopher Oehri is Partner and heads up Advisory IT & Digitalisation at Grant Thornton in Switzerland and Liechtenstein.

Professional experience

Christopher has over 20 years' experience in IT audit and IT consulting. Before joining Grant Thornton in April 2020, he spent 15 years working at one of the Big Four firms in Switzerland and Liechtenstein. He is a specialist in performing IT audits and consulting assignments for banks, insurance companies and in industry.

In his previous positions, he was responsible for setting up and overseeing services in the areas of non-audit assurance and information governance across Switzerland, and managed several teams. He also has extensive experience in testing and designing business processes for clients in the area of financial services, and has worked closely with the FMA and FINMA for many years.

Professional qualifications and memberships

Christopher holds a bachelor's degree in communications and IT and is a Certified Information System Auditor (CISA).

Languages

In addition to his native German, Christopher also speaks fluent English.
